FOR WAR SERVICE

TO

SHIRLEY B. SCOTT

I CANNOT meet you personally to thank you for a job well done; nor can I hope to put in written words the great hope I have for your success in future life.

Together we built the striking force that swept the Luftwaffe from the skies and broke the German power to resist. The total might of that striking force was then unleashed upon the Japanese. Although you no longer play an active military part, the contribution you made to the Air Forces was essential in making us the greatest team in the world.

The ties that bound us under stress of combat must not be broken in peacetime. Together we share the responsibility for guarding our country in the air. We who stay will never forget the part you have played while in uniform. We know you will continue to play a comparable role as a civilian. As our ways part, let me wish you God speed and the best of luck on your road in life. Our gratitude and respect go with you.
